

PROGRESS REPORT 2002

NO. 145

Our special thanks to the faculty, staff, and students of RLE for their generous cooperation in producing this Progress Report.

The format of this report reflects a style which allows each section's author complete discretion regarding the layout of their chapter. The report was assembled and edited by Josephina C. Lee with assistance from Joseph F. Connolly and David W. Foss. All design and production was done by Krista Van Guilder.

Additional information about RLE as well as revisions to this report and full color PDF versions of many chapters are available on our website. Please visit the RLE at MIT website at <http://www.rle.mit.edu>.
